## PROFILE

I am a media creator with a mission to create content that celebrates living life on one's own terms. My mediums of choice are photography, podcasting, writing, and video.

## EXPERIENCE

PHOTOGRAPHER / OWNER; PAUL DUANE PHOTOGRAPHY, 2005 - PRESENT

I specialize in photographing people; my favorite subjects being musicians, children, and boudoir. The words of Dr. Ferdinand Porsche inspire my aesthetic: "If you can create something time cannot erode, something which ignores the eccentricities of particular eras or moments, something truly timeless, this is the ultimate victory."

HOST / PRODUCER; THE SOUL ANARCHIST PODCAST, 2013 - PRESENT

A talk show with a mission to entertain and inspire people to live life on their own terms. The show has taken place as series of live events, daytime talk radio show, and a podcast spanning 6+ years. Currently available on Spotify, Apple, and all other major podcasting platforms.

LETTER CARRIER; UNITED STATES POSTAL SERVICE, 2007 - 2012

Aside from the obvious work of delivering US mail, I carried a Holga 120 film camera in my mail bag, creating street inspired fine art photography on Kodak Portra BW film. Many of these images are still some of the best in my body of work.

PHOTOGRAPHER; MACKLEY DESIGNER PORTRAITURE, 2002-2005

During my time as a partner in this prestigious studio, I managed the opening of a new location, designed ads, taught classes. Our studio was awarded Best Of State in 2005.

PSYCHOLOGY DEPT TEACHING ASSISTANT; UTAH STATE UNIVERSITY, 2001-2002

Working under the tutelage of Dr. Carl Cheney, I taught Intro to Behavior Analysis, graded exams, held office hours for students, conducted my own research, and managed two animal behavior research labs.
